

## National Do Not Call Registry Client Statement of Registration

To comply with the new Federal Legislation passed by the FTC and FCC, it will be necessary for Equifax, and other list service providers, to obtain proof of certification from customers that wish to purchase consumer lists with telephone numbers. The purpose of this form is to obtain the needed information to fulfill your order.

Please be aware that Equifax will do everything within their control to suppress telephone numbers of consumers who have registered for the Federal DNC. However, as specified within the legislation, the ultimate responsibility lies with the Telemarketing Company and the Selling Organization to ensure that consumers registered on the Federal Do Not Call Registry are not contacted by telephone (within the specified time period of consumer registration).

Please complete the form below stating your Company Name, SAN number and Expiration Date. This form must be signed prior to receiving any list with telephone number applied.
